6 "The office of the superintendent of public instruction, in
7 collaboration with the state board for community and technical
8 colleges and the other institutions of higher education that
9 participate in the running start program, shall monitor enrollment in
10 the running start program and shall report any enrollment declines in
11 the running start program as a result of charging a maximum of ten
12 percent of tuition and fees, in particular any declines in enrollment
13 of running start students with family incomes at or below one hundred
14 twenty-five percent of the median family income, annually to the
15 governor and to the appropriate fiscal and policy committees of the
16 legislature. The first report shall be submitted no later than
17 September 1, 2012."

EFFECT: Requires the Office of the Superintendent of Public Instruction, in collaboration with the State Board for Community and Technical Colleges and the other institutions of higher education that participate in the Running Start program, to monitor enrollment in the Running Start program and to report to the Governor and the appropriate committees of the Legislature on any enrollment declines in the Running Start program, particularly declines in enrollment for those Running Start students at or below 125 percent of the median family income. This report is due annually beginning July 1, 2012.
